# Naresh Barua

## FrontEnd Developer

I am a graduate software engineer possessing a formidable foundation in software development and an unwavering zeal for crafting top-notch applications. My expertise lies in full-stack development, with a particular emphasis on back-end development employing Laravel and front-end ReactJs. At present, I am looking for opportunities in the FrontEnd world to give back to society. I am perpetually enthusiastic to acquire novel technological skills and eagerly welcome fresh opportunities to surmount new challenges.
